

Eco-Code

H helping our planet is what we aim to do

A All our small actions will make this come true

R ecycling is key; it's not just a trend

V aluing flowers and trees: we're all nature's friend

I n our gardens, homes for creatures we build

L og piles, bug hotels, patches of wild field

L itter is in bins, our school grounds are clean

S aving water and energy: we all want to be green!

In unity we flourish, a brighter future ahead,
Let's nurture our Earth, on this journey we've led!
