School Uniform Policy

Dated: September 2026

Review: September 2027

Aims and objectives

Our policy on school uniform is based on the belief that school uniform:

- promotes a sense of pride in our school;
- helps to create a sense of community and belonging towards the school;
- identifies the children with the school;
- supports our commitment to inclusion;
- is practical, smart and designed with health and safety in mind;
- is considered good value for money by parents;

Expectations

We expect all pupils to comply with this uniform policy, which will be monitored. Parents requiring support to provide uniform should contact the school office and ask for our Family Worker.

The Role of Parents

We believe that one of the responsibilities of parents is to ensure that their child has the correct uniform and PE kit, and that it is clean, in good repair and that the child's name is labelled on all items.

The Role of Governors

The governing body supports the Headteacher in implementing the School Uniform Policy. It considers all representations from parents regarding the uniform policy and liaises with the Headteacher to ensure that the policy is implemented fairly and with sensitivity. It is the governors' responsibility to ensure that the school uniform meets all regulations concerning equal opportunities. Governors ensure that the school Uniform Policy enables children to dress sensibly, in clothing that is hardwearing, safe and practical.

Monitoring and Review

The governing body monitors and reviews the school uniform policy through its committee work by: seeking the views of parents, to ensure that they agree with and support the policy; considering, with the Headteacher, any requests from parents for individual children to have special dispensation with regard to school uniform;
