Termly Newsletter

Spring, 2023

WELCOME

Welcome to this term's Harvills Fun Academy newsletter.

I would like to start by officially welcoming Mrs. Shepard to our breakfast club team. Many of you will have met her and I am sure that you will agree that she is a great addition.

This term has been a challenging one for most of us in terms of illness. You will have noticed that there have been different members of staff taking care of your children at times. I would like to take this opportunity to thank the staff for stepping in to ensure that the provision could still be offered to our working parents. I would like to say a special thanks to Mrs. Phillips and Mrs. Shepard who have covered frequently this term.

All that is left to do is wish you a very happy Easter. I look forward to seeing you in the summer term.

Booking sessions and payment

Schoolgateway

Our limit for the number of children we can have attending each session is 30. For this reason, it is really important that you book sessions early in order to avoid disappointment.

All Harvills Fun Academy sessions MUST be booked in advance, using the Schoolgateway app. If a session has not been booked, your child cannot attend. If you have booked a session that you no longer require, there is an option to cancel and your account will be credited. Here is a reminder of the deadlines for payment:

Breakfast: before 7:30am on the morning of the session required
After school: before 3pm on the afternoon of the session required

We do understand that, sometimes, work commitments can change at short notice, meaning that you need to making a booking outside of the above deadlines. If this is the case, please contact the school office as soon as possible and we will try our very best to accommodate you. Please note that this may not always be possible.
